Resignation of Janab S.K. Abdul Aziz, Asst. Comr.

'R'

1. Twenty-two Asst. Comrs. were confirmed in Govt. notification* dt 21.12.48, of whom the first eleven are probationary asst. Comrs. Janab Abdul Aziz has also been confirmed in the same notification. His grievance is that ever since he was promoted as Asst. Comr., probationary Asst. Comrs. are being placed above the servicemen, with the result that his promotion to the cadre of Dy. Comrs. has been denied. He has therefore tendered his resignation and requests that he may be given the benefit of all the leave at his credit.

Will issue regarding the relative rank of the Officers confirmed. The question of rank is separately under consideration.

3. It is not known since what date Janab Abdul Aziz is on leave or for what period. Recently he applied for permission to go to Karachi for a marriage and he was asked to approach the District Magistrate in the matter.

4. Orders are solicited as to whether the resignation tendered by Janab Abdul Aziz may be accepted.

5. His request for [redacted] the grant of all the leave at his credit is also for orders.

was, as a special case, included in the list of candidates eligible for appointment as Asst Comrs and promoted to act as Asst Comr in October 1940. He was confirmed in the appointment in Oct. 1945. The statement given below gives a brief history of services of the remaining officers.

	Name of officer	Date of appn as Huildar	Date of promotion as Ag. Asst Comr	Date of confirmation as Asst Comr
(1)	S.K. Abdul Aziz	17-11-39	19-7-43	1-9-48
(2)	V. Byrappa	12-6-40	10-11-44	—
(3)	V. Hanumanthappa	23-8-40	20-4-46	

It may be seen from the above that Janab Abdul Aziz got his appointment as Huildar and his promotion as Asst Comr much earlier than others who were recruited as Rev. Probationers along with him. While he has been confirmed as Asst Comr, the others are still holding the appointment of Asst Comr on a non-substantive basis. Even Sris G. Narasimhaiya, R. Bharamaiya, Sri B.S. Nanjundappa Gowda and Janab M. Abdul Kareem who were entertained as Rev. Probationers in the year 1935, i.e. two years earlier than Janab Abdul Aziz, were confirmed as Asst Comrs with effect from 1st Sep. 1948 along with Janab Sk. Abdul Aziz. 15/3/49

Sir,

I have the honour to bring to your kind notice that I was selected as revenue probationer in June 1937,and after sucessful completion ofthe period of probation appinted an Amildar.Later on in July 1943 the Government having recognised the hard and sincere work done by me during many trying situations promoted me to the rank of an assistant Commissioner in which capacity I have discharged my duties to the best satisfaction of my superior officers and also of the public in the various posts I held.

After my promotion as an assistant Commissioner a batch of about eight young men who were atleast 10 to 12 years younger to me in age was recruited as probationary assistant commissioners. Being afraid that the placing of these probationers above us on confirmation would hinder our progress and limit our chances in service some of my colleagues and I made indiviual representations to the Government to consider the matter sympathetically and confirm us above the probationary assistant commissioners.But to our greatest disappointment our case was overlooked and though at that time some of us were S.P.T. assistant commissioners,the young probationers were confirmed above us without regard to the previous conventions of service.Again in August 1946 a fresh batch of 13 probationary assistant commissioners was recruited. As we were hearing rumors that these thirteen persons will also be placed above us we saw nothing but a dark and dismal future staring into our faces and some of us made up our minds to represent our case to the concerned authorities.We not only gave a written representation to the Government but also saw the ministers individually and represented our cases.

Some

Some of the ministers appeared to be very sympathetic and gave us not merely a hope but almost an assurance that justice will be done and our case for confirmation atleast above the ptesent batch of 13 probationers would be considered favourably.

But to my greatest surprise I saw an order of the Government of the 22nd. ~~September~~ December 1948 in which 22 Assistant Commissioners have been confirmed, I being the twentysecond man in order, all the probationers having been placed above the servicemen. It is needless for me to explain in detailx to what extent this act of Government has mutilated my chances in the official life. It will, I think, be sufficient to say that when I started my service in 1937 there were only three persons in the whole Civil Service above me who were younger to me in age, but today after the recent order of confirmation of Assistant Commissioners there are 34 persons above me in the cader of assistant commissioners who are younger to me in age atleast by about ten to twelve years. In the Mysore Civil Service where there are ~~xxxxxx~~ normally only 15 places of Dy. Commissioners and quite a handful of other heads of departments, I see absolutely no chance of becoming a Dy. Commissioner atleast, even at the time of my retirement.

The prospect of my retiring only as an Assistant Commissioner on a pay of Rs 500/- after about 20 years from this date is not only abhorring but it makes me nervous and almost mad. Ever since the order was published in the Gazette I have tried my level best to reconcile myself withthe newly created situation, but I had found it hard and almost impossible. I do not propose to find fault with the Authorities who are responsible for ~~xxxxxx~~ passing this order. The benign Government might have more than one reasons to justify their action and order on the subject, but so far as I am concerned it is detrimental to my progress and I also know that it is against the established conventions of the Mysore Civil Service to put Young Probationers above officers of good standing who have been in the cader for nearly six years. I therefore feel that it is no use attempting the impossible in trying to reconcile myself to conditions which cannot be reconciled, on the other hand I ~~feel~~ feel it my sacred duty to find out such other avocations in life which will give u

peace

peace and progress at least ~~in~~ during the remaining part of my life.Human nature being what it is,there is always a struggle for better existence for which no motive should be attatched.

I have therefore decided after much thought and careful consideration that I should tender my resignation for this service which I held for nearly 12 years (a precious part of my life) with the utmost amoubt of zeal and honesty believing full well that it was ~~a~~ sacred trust for the service of my mother-land. I tender this resignation of mine with a heavy heart with the sole desire of finding a better future in life for me and my family.

I hope and pray,sir,that you will be so kind as to move the benign Government to accept the resignation and to permit me to start a new life with all the good wishes at their command in recognition of the humble and unstinted services I have rendered to the State during the last twelve years.

Finally,Sir,I beg leave to request that if rules permit and there is no objection the Government may be pleased to give me the benifit of all ~~my~~ the leave at my credit.

I take this opportunity to thank the benign Government and its noble officers who have been kind and helpful to me in the discharge of duties entrusted to me.

With all your good wished,

I remain, Sir,

Yours faithfully,

S/ Ahmad [illegible]
